

# BSP in the Community

## Our Community Contributions in 2022

“ One of the key things that differentiates BSP from many other businesses is our support of community projects across all countries. ”

## We are more than a Bank

### BSP's Corporate Social Responsibility contribution in 2022

We understand that we have a special responsibility to our customers and their communities. Our core values of people, community, leadership, teamwork, professionalism, quality and integrity are at the heart of who we are as an organisation, and

drive our support for the communities in which we operate. BSP is committed to supporting our communities sustainably through partnerships, sponsorships, donations, community projects and voluntary work.

## Our Commitment to the environment

### Sustainability & Environment

As green bank, we understand that environmental concerns are shared by our customers and the communities we serve. They expect and appreciate steps we take to be part of the solution. Our Sustainability Strategy is firmly entrenched within the organisation and community

investment activities help make this commitment tangible to our customers, staff and key stakeholders.

BSP is a member of the clean up the world campaign and observes the annual Earth Day and Earth Hour.

# Our Sponsorship and Donation

## Our Sponsorships

BSP's network enables it to have a unique opportunity to access more communities than any other bank in the Pacific region. Our reach takes us to the most remote areas of Papua New Guinea and other Pacific island countries that BSP operates in, Fiji, Solomon Islands, Vanuatu, Samoa, Tonga and Cook Islands.

As a responsible organisation, we give back in sponsorships, donations and charity work. In Papua New Guinea, BSP invested over K2.4 million in sponsorships, over K800 thousand in donations and K1.6 million in community projects.

Our sponsorships reach communities through organisations like:

# Our Community Projects in PNG

Since 2009, BSP has invested over K14 million in the communities in which we operate. Our aim is to improve everyday lives; making communities prosper. BSP's goal-orientated events and community projects are organised on a regular basis to benefit communities and change lives.

All our staff volunteer their time, to contribute in community work to deliver a project for their community. Examples include, refurbishing classrooms, installing new water tanks, donating desks, maintaining a basketball court, or even installing new wash basins to promote washing of hands, as our response to combat the spread of COVID-19.

# Financial Literacy and Banking Education

With growth comes added responsibilities of ensuring that our customers, especially in rural areas, are empowered in financial literacy and banking education. We reach schools, churches, organised community groups, businesses and corporate organisations.

We have delivered Financial Literacy to over

**160,000**  
participants since 2014

**9,593**

participants took part in Financial Literacy Training in 2022.

**1,100+**

students reached through our community partnership with the Brisbane Broncos in 2022.

## Financial Literacy Brisbane Broncos

The partnership will see the Brisbane Broncos assist BSP in promoting the Financial Literacy Program. This program is aimed at helping school children understand the basics of budgeting and making better financial decisions. Selected primary and secondary schools within NCD and around PNG took part in BSP's Financial Literacy Program.

## FSV & GBV Awareness #blackthursdays

We believe that one of the best ways of contributing to the growth and development of the South Pacific is by ensuring it is a region of healthy and happy individuals, families and communities.

BSP's groupwide #blackthursdays campaign against gender based violence is a good example of the way in which branches, staff, family and individuals contribute to creating awareness and making our communities and homes safer places to live in.
